What We Did Today

We spent some time getting to know each other and learning about the class rules. We talked about two important concepts: Betzelem Elohim and Derech Eretz. Ask your children about our discussion!

Special Activities

We played Aleph bet Bingo and other Hebrew review games. We also practiced with our Ten Minute Reader book

Over the Next Few Weeks We Will...

We'll spend most of the next few weeks learning more about the High Holidays and reviewing Hebrew.
