OTRS Fourth Grade News

11/15/09

Dear Families,

This week we are busily preparing for our wedding on Nov. 22nd. Mrs. Hahn was out this week. Yesterday we had a special visit from last year's 4th grade Hebrew teacher. She worked with the children to review and help hone the Amidah prayers they've been working on.

Check out our page on the Olam Tikvah website to see pictures of some of our activities [OTRS 4th grade page](#)

Shalom,

[Joan Hahn](#) and [Dan Noble](#)

Over the Last Few Classes...

The children illustrated four different Biblical stories and we began the topic of birth in the Jewish lifecycle.

The kids are also continuing on Jewish American history, as we've completed the colonial period and are moving on to the 19th century.

Finally, the class also made cards for our veterans in honor of Veterans Day.

Mr. Noble plans on printing out the Biblical stories and putting them in the OT library so everyone can see them.

Special Activities

The children spent Sunday decorating the huppah

Over the Next Few Weeks We Will Be..

This coming Sunday is our wedding. We look forward to seeing all of the parents there for the event!

Homework and Things to Remember

- The children were given the option of choosing Jewish Americans to be subjects of their reports to alternate with the ones they are assigned. Some of your kids have given me people they want for reports, but many have not. Please ask them about their choice.

Practice Hebrew reading at least 10 minutes three times a week to help develop reading fluency.

- **Wedding November 22nd!**
- A reminder from the Education and Safety and Security Committees to **please keep children at home who are not feeling well**. Parents should email teachers to find out if their child has work to make up. This policy is designed to protect all our children.
