Dear Parents,

We had a great first day today! I really enjoyed meeting your children and sharing the morning with them.

Shalom,

Barbara Kollek

What We Did Today

During Class today we talked about Rosh Hashanah!

Special Activities and Crafts

We spent a little time getting to know each other with a few games including Wonder Ball and Simon Says.

As part of our Rosh Hashanah theme we ate apples and honey for snack and we learned the prayer you say when eating apples. We learned about the shofar and read the book *Kvetchy Boy*.

Things to Remember

- Please send your child with a small backpack to hold the worksheets and other papers we use in class. This backpack should be for religious school only.
- The next regular Sunday morning class will be Sunday October 18th!
