Sukkot Family Program with Rabbi Shalva!

October 4, 2009 (2nd day of Sukkot): 9:30am - 10:15am
Exploring the Natural World from our Holy Sukkah

For children in preschool through second grade and their families

On Sukkot, we move outside of our homes and into our Sukkot. But we're not alone in our festival booths -- our Sukkot are become homes to all sorts of plants, animals, and insects. Are these Sukkot guests joining us to celebrate the holiday? Does the natural world pay us a visit in order to teach us some important lessons? Join Rabbi Shalva as we explore these questions and the wonders of nature inside and outside of our Sukkah.
