

Congregation Olam Tikvah Invites You  
To a Pesach Workshop on  
**Your Seder, Your Children, and the Haggadah's Four Children**  
**Led by Rabbi David Kalender**

Sunday, March 14, 10:30am-12:00pm

In which we ask four questions (of course):

*The Immigrant Family* (Chicago Haggadah, 1879)

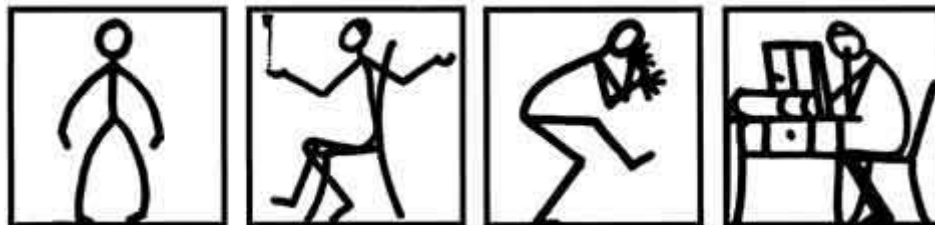

- How have artists represented the children who are wise, wicked, simple, or unable to ask a question?
- How do you understand the Haggadah's description of the Four Children?
- How do you see your own child?
- And how do you relate the story of the Exodus to your child, or involve your child in the telling—and development—of the story?

Part of Olam Tikvah's Family Education Programming

All parents welcome, regardless of student enrollment

**Please RSVP by Tuesday, March 9, so we can have enough materials for all participants**
