Dear Families,

After such a long break it is nice to be getting back to our regular schedule! In this newsletter we'll catch you up on some things we've been doing and tell you about our plans for the next few weeks.

Shalom,

What We've Been Doing

The children created either a TV commercial or a print ad (their choice) to publicize the miracle of Chanukah.

The class is completing their work on rescue mission case studies.

Special Activities

The children will present their case studies on rescue missions and they will have an end-of-unit "learning party".

Over the Next Few Weeks We Will...

As a reminder we will be watching "Operation Thunderbolt", which is the Israeli dramatization of the hostage rescue mission at the Ugandan Entebbe airport in 1976.

This movie contains scenes that involve the hijacking of an airplane. This is also an elaborate shooting scene towards the end and some people die. If you feel that it would not be appropriate for your child to watch this movie, please let me know. I anticipate showing the movie on Tuesday, January 19.
