Le'avdah ul-shamrah- To Plant and Preserve

In Genesis 2:15, after God completed the Creation and placed humans in the garden, the first command was "to plant and preserve" their bountiful home. This divine directive to protect the environment is as appropriate today as it was at the beginning of recorded time. As the recipients of God's command, *le'avdah ul-shamrah*, we became and continue to be partners in the ongoing process of creation. Your support of The Jewish Theological Seminary, Ziegler School of Rabbinic Studies, Schechter Institute of Jewish Studies, and Seminario Rabrnico Latinoamericano ensures the solid and healthy future of Conservative/Masorti Judaism.
